UNITING CARE

Our goal is always to help you achieve yours.

Growthbuilt is a leading design and construction company with a depth of capability across a diverse range of sectors including aged care, seniors living, residential, education, mixed-use, community housing and commercial projects. Across our 19-year history, we've earned the trust and confidence of our clients through vibrant partnerships grounded in trust, transparency, and innovation.

At the heart of this success is a passionate team of contracting experts who love what they do. Our dynamic senior management team prioritise the continued re-investment and long-term growth of our people, promoting a culture based on transparency, inclusiveness, and collaboration.

Our commitment to quality and excellence is reflected in being one of the first construction companies in NSW to receive a Gold Star iCIRT rating. Additionally, our 90% repeat client base stands testament to the consistently exceptional outcomes we deliver and the genuine partnerships we share with our clients and trade partners.

The Growthbuilt difference offers a hand-in-hand approach from award to completion: aligning to our clients' vision to ensure a safe, successful delivery on time, within budget, and to exceptional quality always. It's this competence and confidence that enables our people and the projects they deliver to reach their full potential.

Capabilities: Our Services

CONSTRUCTION

Construction is driven by operational discipline, technical expertise, safety and quality control, commercial outcomes, and risk mitigation. We partner

with clients to understand and invest in their vision, using our design and delivery capabilities across all methods and asset classes. Our team includes industry-leading talent and we maintain strong relationships with top trade partners and suppliers to ensure high-quality outcomes for our clients.

PRE-CONSTRUCTION

Growthbuilt offers comprehensive pre-construction services, including design development, risk analysis,

project scheduling, and cost management. Our pre-construction team consists of experienced design, engineering, and services specialists, supported by market-leading estimators and planners to ensure project success from the start.

DEVELOPMENT

We have significant ability in streamlining the development life-cycle, including providing innovative solutions on

planning constraints, design managing planning proposals and DA approvals to ensure a successful development deliver.

SMALL WORKS

GB Projects specialises in small works valued between \$250K and \$20M, offering extensions, fit-outs, and

refurbishments building services. Our expertise covers alterations, building upgrades, fast-track refurbishments, and conservation repairs on heritage-listed buildings. As leaders in small works and restorative services, the GB Projects team focuses on enhancing the safety and functionality of assets for all our client.

JOINERY

Growthbuilt's in-house joinery company, ThinkFactory, delivers exclusive bespoke joinery for all our projects.

As one of Australia's leading manufacturers of architectural joinery, ThinkFactory provides comprehensive design, manufacture, and installation solutions. Their in-house design capabilities ensure optimised joinery outcomes tailored to each project's unique needs.

REMEDIAL

At Growthbuilt, we specialise in remediation projects, restoring buildings and assets to a secure and operational state. Our

expertise includes cladding replacements and complex structural repairs, always with a focus on sustainable, long-lasting results.

Capabilities: Our Specialties

06 REGIONAL

Growthbuilt's regionally based teams leverage local insights and collaborate with the community to tailor solutions for the unique challenges of regional infrastructure. By prioritising the use of local trade partners and suppliers, we aim to drive positive community outcomes and ensure the success of our projects.

01 HERITAGE

Preservation of heritage assets require utmost diligence and attention to detail. Our nuanced experience in collaborating with local authorities and heritage consultants is vital to delivering project outcomes.

05 SUSTAINABILITY

Committed to reducing our environmental footprint, we blend innovative design with the consideration of recyclable and renewable materials as well as on-site sustainable building practices.

02 ADAPTIVE REUSE

Growthbuilt specialise in transforming existing structures into vibrant, functional spaces that meet the evolving needs of our clients and community.

04 TAKE OVER

We recognise that taking over existing projects, in their current state up until completion and handover, demands a tailored approach to ensure a seamless transition and successful delivery outcome.

03 LIVE ENVIRONMENTS

Growthbuilt excels in delivering construction projects within live and operational environments, prioritising minimal disruption to surrounding communities. Our industry-leading systems and practices ensure seamless integration, maintaining harmony and productivity throughout the project lifecycle.

Leadership Team

The executive management leadership team continually drive improvement initiatives throughout the business on a daily basis.

Woolooware Shores West

Multi-Staged Design and Construction of New Build Care Facility at a Masterplanned, Live Environment Site

Situated on picturesque Woolooware Bay, Woolooware Shores offers premium retirement living amidst a vibrant community. The project represents an expansion to Retirement Village at Taren Point.

The overall development, constructed in 3 stages, will provide a total of 183 self-contained dwellings and 48 residential aged care beds across six new buildings which will reinvigorate the underutilised site, offering a diverse range of new community uses and taking maximum advantage of its waterside context.

The masterplan for Woolooware Shores has reinvigorated the waterfront, offering a diverse range of community facilities connecting back into the existing foreshore, including chapel, salon, spa, theatre, meeting, and multi-purpose rooms.

These spaces are strategically integrated and distributed throughout to maximise connections to landscaped common areas.

It has been designed to promote usability, with opportunities for social interaction and equitable access.

ANGLICARE

Robust Financial Capacity

For a construction company, financial strength is paramount.

Growthbuilt provide robust financial security and capabilities to meet project demands.

With a diversified portfolio and increasing revenue coupled substantial cash reserves and liquid assets, we maintain consistent cash flow and profitability.

Through rigorous financial management, Growthbuilt consolidate their position as a reliable and agile player in the Australian construction industry.

Our audited financial statements are accessible upon request.

Quality In Everything We Do

Our Quality Assurance system complies with ISO 9001:2008 and has been developed to drive our goal of high quality construction.

iCIRT Certification

Growthbuilt is an ICIRT 3 Gold Star Rated business with a trusted and transparent approach. We operate with openness and clarity in our practices and have an established reputation for reliability and credibility.

Everything
we do
works towards
the goal of
quality
construction

This is the ultimate measure of successful project delivery and the high levels of client satisfaction.

These outcomes guarantee us the repeat business and positive references which underpin our growth and development strategy.

Driving Strong Safety Outcomes

Growthbuilt have developed robust systems to ensure WHS is at the forefront of every projects.

Understanding and management of WHS is an integral part of our governance and leadership. Growthbuilt views this as the creation and protection of value, it assists us in setting strategy, achieving objectives and making informed decisions.

Our work health and safety management system complies with FSC Standards, ISO 45001:2018 and has been developed to drive our goal of safe construction.

Health & Safety
AS/NZS 4801

Environmental Stewardship

We take our responsibility for sustainability practices seriously.

This responsibility encompasses our approach across environmental, economic, safety and social factors in how we operate and deliver.

Influencing sustainable design

Growthbuilt believe our responsibility is to be influencers in sustainable design and work proactively to minimise and manage the environmental impact of our operations.

This entails creativity and forward-thinking, encouraging the exploration of new ideas and technologies that can further enhance safety, health, and well-being outcomes in the industry.

As a member of the Green Building Council of Australia, we have Green Star Accredited Professional employees who strive to deliver environmentally sustainable buildings by collaborating with clients, consultants, and subcontractors from the inception of projects.

Environment

future-focused projects.

We use an Environmental Management System in accordance with global best practice guidelines: ISO 14001.

Embracing Diversity and Inclusivity

Colin Rahim,
Director / CEO

*"Innovation and Diversity,
underpinned by integrity,
is what drives our growth"*

We believe that innovation stems from the collaboration of individuals with different ideas and opinions as a result of a diverse workforce.

By employing a wide range of people from different nationalities, cultures and backgrounds, Growthbuilt has managed to create an inclusive culture.

We're proud to be recognised as an Equal Opportunity Employer, with women making up approximately 20 per cent of our workforce, across leadership and site-based positions.

Growthbuilt is proud to be a primary sponsor of the Property Council of Australia Diversity Lunch and a sponsor of the National Association of Women in Construction (NAWIC).

Award Winner 2020
Diversity <250 Employees

Building our Community

We know the power that is unearthed when project teams collaborate with communities, so we continuously seek to engage with community groups to implement initiatives that encourage interaction between our clients, employees and the local community.

TEAMWORK IN ACTION

Sports Sponsorship

We sponsor sporting clubs like Sydney University Australian National Football Club and Maccabi Hakoah Sydney City East FC to foster teamwork and support their growth from grassroots to elite levels.

TACKLING MENTAL HEALTH IN CONSTRUCTION

Partnerships with MATES and The Big Anxiety

Mental health and well-being of workers in the construction industry is a growing issue. Growthbuilt is proud to be a partner of programs such as The Big Anxiety and MATES in Construction, which are working to reduce the number of suicides and related incidents among construction workers.

BRINGING COMFORT IN CHALLENGING TIMES

Supporting Sydney Children’s Hospital

Growthbuilt completed a pro bono renovation at Sydney Children’s Hospital, enhancing the Children Intensive Care Unit (CICU) Hostel and Medical Imaging Department. The project aimed to create modern, welcoming spaces for young patients and their families.

EMPOWERING YOUTH IN NEED

Partnership with the Property Industry Foundation

Growthbuilt proudly sponsors the Property Industry Foundation (PIF), aiding homeless youth with housing and supporting educational, employment, and well-being initiatives through impactful events like the Tour de PIF and the PIF Regatta.
